Remarks

- Surgeon reserves the right and decision as to the suitability of the Open Heart Surgery Operation Package accordingly to individual client's condition during consultation.
- Client should join the Open Heart Surgery Operation Package before the operation. Cancellation of Open Heart Surgery Operation Package is not feasible when the admission procedure has been completed nor after the operation.
- Application for the Open Heart Surgery Operation Package after the operative procedure will not be accepted once the client has been admitted and the operation has been started.
- Since there is upper limit on doctor's fee for all packages, the total charge may be lower.
- Client should settle all package payment on admission.
- Client may opt for interest-free instalment package as offered by some credit card companies. Details are available at our Cashier.
- No special offer or discount will be offered to the Open Heart Surgery Package and Union Hospital's general promotional offers or discounts are not applicable to the Package.
- The payment could be deferred when it is a dire emergency.
