

Elderly Health Care Voucher Scheme

To enable elders to enjoy healthcare services that best suit their needs, as well as to raise their awareness for health protection, Union Hospital Polyclinics have enrolled in the Elderly Health Care Voucher Scheme to enable elders to use our services on reduced prices.

Eligible persons

- Aged 70 or above
- Holders of valid HK ID Card

Features

- The annual voucher amount for each eligible elder is \$2,000
- The unspent vouchers can be carried forward and accumulated by an eligible elder, subject to a ceiling of \$4,000.
- There is no need for pre-registration to collect the vouchers, nor to bring them in paper form to the polyclinics
- There is no limit on the amount of vouchers spent each time
- Reduce elder's financial burden in affording healthcare services

Terms of use

- Medical expenses cannot be pre-paid by the vouchers
- The vouchers cannot be issued earlier, nor can they be exchanged for cash or given to other parties.

If you want to use the vouchers, please notify our staff during registration.
